

# Ilija Antanasijevic

Junior Developer

## 👤 Profile

Junior Web developer with experience who is skilled in all phases of advanced web development. Educated about debugging, and user interfaces. Possessing a promising range of skills.

## 🎓 Education

### ICT Collage, Belgrade

October 2021 – Present

I am currently studying at the [ICT College](#) and constantly working on real projects that improve my skills a lot. In addition to the skills I listed, I am also familiar with SASS, Photoshop, Bootstrap, Webflow and SEO

## ★ About Skills

C#, PHP, Javascript, Microsoft SQL Server and MySQL are just some of the technologies I am proficient in. Able to work successfully in a team environment, as well as manage oneself effectively during independent projects.

## 👥 Internships

### Web design at Bojan, Remote

March 2022 – June 2022

- I developed my front-end abilities while working as a web designer for three months. Even so, I decided to stop because i wanted to focus on the college.
